Re: United States v. Shawn Gayle,
20 CR 328 (PAC)

Your Honor,

Mr. Gayle is scheduled to be sentenced by this Court on October 14, 2020. I am writing to most respectfully request an adjournment of the Sentencing hearing until a date in mid November that is convenient for the Court. The reason the adjournment is necessary is that the defense sentencing specialist has had a hard time gathering all of the necessary documents related to Mr. Gayle and the MCC has cancelled or just not put through numerous phone conferences that were scheduled with Mr. Gayle. Thus, our sentence specialist believes her report will not be completed until early November. I have spoken with the Government and they have no objection to this request.

Thank you very much for your consideration in this matter.

Respectfully yours,
David Touger
